This Document is Issued Subject to the Following Conditions

تم إصدار هذه الشهادة وفقاً للشروط التالية

This permit is for the activity of Paper Waste Trading only.

Note: In accordance with the implementation of the RASID system, all companies are advised to complete RASID registration procedures. Call 800 72743 for assistance.

Make sure to follow the Waste Management Technical Guideline No. 1, 2, 3, 4, 6, 7 and Circular No. (5) of 2020 on the procedures for practicing recyclable materials trading activities issued by Waste Management Department.

Waste Management Department of Dubai Municipality is continuously innovating its systems and various infrastructures in order to provide the Emirate with a clean, safe and healthy environment. In order to achieve safer, more efficient and enhanced storage, collection and transportation of recyclable waste/materials, the following measures are being instructed to all waste management companies for strict implementation.

1. The working time of the recycling companies should be from 7AM to 7PM.
2. All vehicles that are involved in the collection and transportation of recyclable waste should be in green color.
3. All vehicles should have the company name and logo on the either sides of the vehicle.
4. All vehicles should have registered in RASID system.
5. All staffs that are involved in the operations of recyclable waste should wear green color uniform.
6. Any recyclable waste should not be imported from outside the Emirate of Dubai.
