

Protecting your health and ours.

The health and welfare of our customers and staff is paramount.

To continue operating within government guidelines, while servicing customers, our service team will:

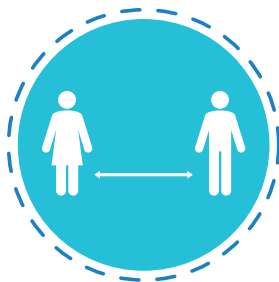

Only have **one** Customer Service Representative per vehicle or two if from the same household.

Wear a **mask** at all times

Wear **gloves** at all times

Follow **social distancing guidelines** during service

Scan consoles using **handheld devices** however a customer signature will not be required

Sanitise handheld devices before entering customers' premises

Wash hands and dispose of PPE on return to the Shred-it branches

Disinfect trucks on return to the Shred-it branch

For peace of mind, contact Shred-it today
